ESCAPE
ROOM

You are invited to a glamorous movie studio
in the heart of Kyoto, Japan, to attend the
premiere of a new movie, Kyoto-Makai.

However, all is not as it seems...
and you find yourself trapped in the studio,
with one hour to escape.

You and the team will need to use
lateral thinking to solve a series of challenges.

Will you manage to crack all the
codes and escape within 60 minutes?
